FINANCIAL.

GOLD! GOLD! WE ARE OFFERING
of for sale the Treasury Stock of the Powladan
Mining Co., and are anxious to place this information in the bands of every individual who has much
or little money to invest. The mines owned by this
Company are located in Culpeper Count House and
Fredericksburg, and between Culpeper Count House and
Fredericksburg, and between the Rapidian and Rappahannock Rivers. They are only 12 inlies from Remington, on the Southern Railroad, and to miles norther
by from the Wilderness hattlefield. They shave been
proven to contain vast quantities of sulphide ore, carlying a gold value of from \$1 to \$20 per ton, and a genterial average would indicate the value of at density of
the start gold while of from \$1 to \$20 per ton, and a genterial average would indicate the value of at density of
the start gold while of from \$1 to \$20 per ton, and a genterial average would indicate the value of at density of
the start gold while of from \$1 to \$20 per ton, and a genterial average would indicate the value of at density of
the start gold while of from \$1 to \$20 per ton, and a genterial average would indicate the value of at density
to treat 250 tons per day. We have the authority of the
best mining experits for the assertion that the ore can
be mined and treated at a cost of not to exceed \$1.50 per
ton. It is believed, for experience has shown, that the
ore increases in volume and value as depth is obstained

FOR SALE—TREASURY STOCK AT 16 CENTS
per share of the Mammoth Consolidated Mining Co.,
Mackay, Cusser Co., 1daho. Incorporated under the
laws of Idaho. Capital stock, \$250,000. Par value of
shares, 50 cents, full pied and non-assessable. The directors have set aside 30,000 elaures of Treasury stock to
be sold for the purpose of developing the property.
The shares are for sale at 10 cents per share. This coinpany have now about 56 acres of mining ground. The
property is undeveloped, but the company sepect to
open it up thoroughly during the coming year. It is on
a fine mineral belt, with good indications of copper,
lead and silver. About 200 tons of ore have been take,
out of one of the claims near the surface. The proper
ty is about seven mides from Mackay, the terminus of
the Solomon River R. R., with plenty of timber and
water sufficient for any machinery the company may
need. The company does not guarantee or promise
dividends in advance, but hopes to make the property
a dividend payer in the near future. We consider the
risk a good one at 10 cents per share for the stock, and
believe that 050 cents per share for the stock, and
believe that during they have been take when
the other of the stock, and
believe that the property is not one of the officers of
the company will receive a salary until the property is the that during the year. None of the second of less than 30 cents per share. None of the second of less than 30 cents per share. None of the property as a dividend. Officers of the company: President, as a dividend. Officers of the company: President, G. H. Cherk, Mackay, Idaho, Attorney and Acting fanager of White Knob Copper Co.: Secretary, John Fitzpatrick, Houston, Idaho, negislature; Treasurer, E. F. Ferris, Houston, Idaho, Postmaster and U. S. REAL ESTATE.

JUST THINK OF IT.

It will be a very wise plan to buy some of the following property while it is so cheap:

Lausing, the capital city of Michigan, has a population of 20 Michigan, but a population o Lansing, the capital city of Michigan, has a population of 20,000; at least 40 manufacturing establishments, employing from five persons to 600 persons each; an agricultural college, with 1,000 students, that has a National reputation; and has as fine State Capitol buildings as any State in the Union. It is safe to say that this property has struck its lowest notch, and that there is no prospect of a panic for 20 years to come; so, if you don't take advantage of these prices, you will be too old after the next panic. What everybody says is generally true, and everybody says, after looking at the prices below, that the bottom has fallen out, and prices can miver go any lower.

Tex. thousand dollars will buy 12 tenant houses, all newly painted and decorated, and one good barn, together with six acres of land; bounded on the east by the Michigan Central Railroad; on the north, by Grand

in Lansing for a large manufacturing plant.

One thoras of dollars will purchase three fourths of an acre, with a good stone besement barn on same. It is bounded on three sides by rairoads, via, on the west, by Lake Shore & Michigan Southern; on the cast, by the Michigan Central; on the south, by the Grand Trunk. The largest vinegar factory in Michigan Joins it on the west, where a million bushess of Michigan apples are used annually. Huga Lyans & Co., manufacturers of brass fixtures and figure heads for display windows, working 200 men, foins it on the cast. This property, with its three railroads, is a fine site for a small factory.

Twenty good, improved farms, within 10 miles of the capital city of Lausing, Mich., for saic. Prices ranging from \$40 to \$80 per acre.

For information regarding any of the above property, writs to T. E. Potter, Lansing, Mich.

HENDERSON BROS., ALMA, KAN., OFFER the following choice bargains in real estate:
Fine 123-acre farm; 50 acres cultivation; balance acadow and pasture; plenty hedge posts and firewood; echacit; fine fruit; fairly good farm house; good stone arn; fine location; rural delivery and telephone; chool three-quarters mile.
